4	60 Day Processing Time			9

Long-Term Recommendations (Switched from Short-term list)

Cash flow management
 Cost review of CF (reasonable and necessary)
 Close low-risk sites
 Re-evaluate earmarks
 Pay financing fees (including late fees)
 Increase fuel fee
 Increase transparency, e.g. via web
 Improve collaboration between all stakeholders
 Reduce expenses in areas other than CF, of corrective action
 Change point of collection
 Reduce duplication of effort between CF & LOPs
 Change fund business model (benchmarking)
 Encumber funds based on pre-approval/payment guarantee
